### **Report**

I hereby confirm that I have performed a full-time internship as SOE Fellow at the Department of Ophthalmology of the University Hospital of Bern, Switzerland, between July 1<sup>st</sup> and 31<sup>th</sup>, 2009. My main interest was in surgery and outpatients. I was involved in operation activity and had the possibility to assist to the next operations: cataract and glaucoma surgery, eyelids plastic operations with some pathologies, vitreoretinal surgery. I examined patients with different disorders of the Eyelids, Orbit, Lacrimal Drainage System, Conjunctiva, Cornea, Lens, Retina, patients with Uveitis, Tumors of the Eye and some types of Glaucoma. I used special diagnostic techniques like OCT, Spectral OCT, Angiography, HRT. I deepened my knowledge as for the treatment patients with diabetic retinopathy and age-related macular degeneration.

I am very grateful to Professor Dr. Dr. Sebastian Wolf for the inviting me to Bern. I was proud to work with Professor Dr. Dr. S. Wolf, Professor Dr. B. Fruh, PD Dr. J. Fleischhauer, Dr P. Hasler, P. Trittbach, PD Dr M. Iliev. I am thankful all colleagues from Ophthalmology Department from Bern for the kindness and assistance. I send my special thanks for the Mrs Christina Rust and Mrs Heidi Lobsiger-Jutz for the organizing of my arrival to Switzerland and comfortable stay. I will use new knowledge and experience in my practice in Lublin.

I am particularly thanks to SOE Educational Committee for the Grant SOE 2009.

My best regards

Sincerely  
Yana Shenk
